Good morning, Jason,

Thank you so much for sending these and the other follow-up materials after yesterday's call. We hope that the conversation between Jared and the Colonel goes well this morning – what time will that take place?

I jotted down that you might also be sending more notes after the RA/Colonel meeting occurs so that we can pass something on to Ken in time for the CEQ call at 3 Eastern/Noon Pacific. Please let us know if you're still planning to send anything additional so that we can also plan accordingly – ideally, we'd like to send any updated notes to Ken by 1pm Eastern.

Thanks very much,

Erin

Hi Teddy – Here are short talking points in case Jared wants them for tomorrow. He's already quite conversant on these points, but I hope they're helpful. Jane has approved. See you tomorrow! -Jason
